PROFESSIONAL SUMMARY

Results-driven Administrative Virtual Assistant with 3+ years in billing support, third-party collections, and account reconciliation — including maintaining audit-ready accuracy across 500+ accounts in auto-financing collections and sustaining a 92% First Contact Resolution rate in a high-volume queue. Skilled at working an aging report, negotiating outstanding balances to resolution, and catching billing discrepancies before they become write-offs. Completed Medical Scribe training to build a working foundation in medical terminology, and picks up new systems, procedures, and industry-specific processes quickly and independently.

RELEVANT SKILLS

- Billing support & discrepancy resolution
- Account reconciliation & balance review
- Aging report follow-up
- Data entry & records management
- CRM administration (Salesforce, Zendesk)
- Client & payer correspondence
- Spreadsheet-based tracking (Excel)
- Documentation & SOP maintenance

PROFESSIONAL EXPERIENCE

Customer Care Specialist Jan 2024 – Aug 2024
iQor — Telecommunications

- Resolved billing inquiries, account maintenance, and service requests across a high-volume queue, meeting SLA turnaround on every cycle
- Built ad hoc reports from Excel and CSV data that management used directly for operational decisions
- Kept CRM records, documentation, and knowledge base resources audit-ready, reducing time spent on compliance reviews
- Caught recurring data trends and workflow gaps early, and pushed through fixes that measurably tightened reporting accuracy

Account Manager — Collections & Administrative Support Jul 2022 – May 2023
AuxOUT Global / AUXILLIUM — Third-Party Collections (Auto Financing)

- Owned account status, payment activity, and collections performance across 500+ active accounts, delivering audit-ready records with zero major discrepancies flagged in review
- Identified billing discrepancy patterns through routine verification checks and closed the gaps, cutting down repeat reporting errors
- Negotiated payment arrangements and managed client correspondence, resolving outstanding balances while keeping CRM documentation compliance-ready
- Turned raw account data into summaries management acted on directly, supporting revenue recovery targets

Customer Service Representative Nov 2020 – Jun 2022
Alorica — Telecommunications

- Delivered a 92% First Contact Resolution rate across 100+ daily interactions, covering scheduling, order processing, and account changes
- Maintained CRM records and account documentation at audit-ready accuracy to support compliance and reporting
- Tracked order fulfillment and transaction records end-to-end, coordinating cross-functionally to close out account and service issues fast

TOOLS & SYSTEMS

Google Workspace, Microsoft 365 & Outlook, Excel (formulas, Power Query), Salesforce, Zendesk, Slack, Teams, Zoom, Trello, Asana, ClickUp, Calendly, secure data entry systems, ChatGPT & Claude AI for workflow support.
